

Nuclear Power Products and Services

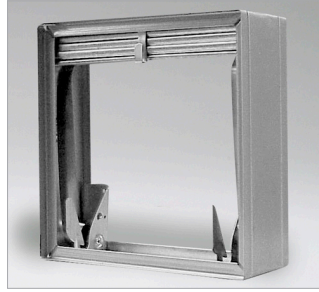

#### About our Teaming Partner

For over 50 years, Ruskin has been a leader in the engineering, design, and manufacture of high performance dampers and louvers. Curtiss-Wright Nuclear's exclusive partnership with Ruskin provides these products for use in commercial nuclear safety-related applications.

Ruskin specializes in a variety of dampers and louvers, including control, backdraft, smoke, fire, pressure relief, and balancing functions. These products combined with Curtiss-Wright Nuclear's complete HVAC product portfolio give nuclear plants the ability to maintain and install new turnkey safety related HVAC systems.

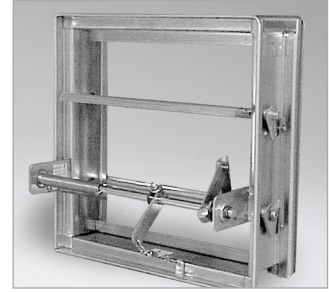

Static Fire Damper

Dynamic Fire Damper

Multi-Blade Dynamic Fire Damper

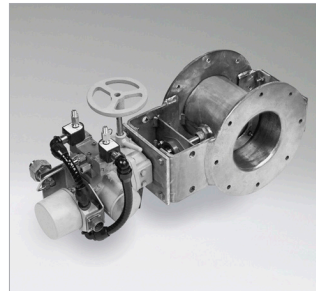

Multi-Blade Dynamic Fire Damper

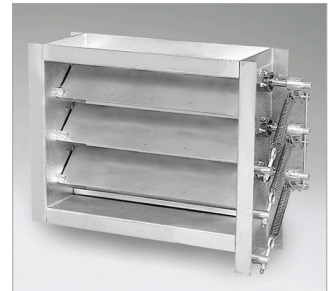

Fire and Smoke Combo Damper

Low Leak Smoke Damper

Bubbletight Round Control Damper

Galvanized Steel Blast Damper

### Fire Dampers/Sleeves/Angles, Ceiling Fire Dampers, and Access Doors

- Static/Dynamic Fire Dampers
- Curtain and Multi-Blade Fire Dampers
- Integral Sleeves, Welded Sleeves or No Sleeves
- True Rounds or Square-to-Round Transitions
- Stainless Steel or Galvanized
- Thinline IBDT Series
- Ruskin Exclusive Grille Mounting Style
- Ruskin Fast Mounting Angles
- Round and Square Ceiling Fire Dampers
- Warnock Hersey Ceiling Fire Dampers
- Duct Mounted Access Doors, Round and Rectangular
- Walk-through Access Doors

### Fire/Smoke Combo and Smoke Dampers

- Factory Mounted and Tested Actuators
- Airfoil High Performance Dampers
- Triple-V Standard Performance Dampers
- Ruskin Exclusive True Round Dampers
- Ruskin Fast Mounting Angles
- Complete Corridor Fire/Smoke Dampers
- Out-of-the-wall Installations
- Factory Mounted and Wired Duct Smoke Detectors
- Front Access Dampers
- Diffuser Dampers
- Grille Access Dampers

### Control Dampers

- Airfoil High Performance Dampers
- Triple-V Standard Performance Dampers
- Insulated Blade Dampers
- Commercial True Round Dampers
- Manual Balancing Dampers
- Heavy Duty Round Butterfly Dampers
- Heavy Duty Fan Outlet Dampers
- Factory Mounted Actuators

### Air Doors

- 15 Standard Colors
- All ACC sizes

### Backdraft Dampers and Actuators

- Light Gage Galvanized Backdraft Dampers
- Extruded Aluminum Backdraft Dampers
- Counterbalanced Backdraft Dampers
- Non-metallic and Stainless Steel Backdraft Dampers
- Heavy Duty Aluminum and Steel Backdraft Dampers
- Factory Mounted Actuators

### Louvers, Penthouses, and Brick Vents

- Stationary and Adjustable Blade Louvers
- Drainable and Non-drainable Louvers
- Extruded Aluminum and Steel Construction
- Thinline Extruded Aluminum Louvers
- Boxed or Mitered Corner Penthouses
- In-house Anodize and Kynar Finishes
- Shaped Louvers
